## Ashley Action!

**WELCOME BACK!**

**Welcome back** We hope you have had a relaxing, sun filled break and are ready for the final run up to summer!

**The 6th Form Gardening Project** is underway! The greenhouse has now been fully erected and is ready to start growing plants. A big well done to Josh in Year 13 who has painstakingly drilled the windows in to ensure extra protection from the bad weather! Earlier on, in the month, Owen collected seeds that were donated to us by Tesco's; we plan to grow them in the autumn term. Finally, a big thankyou to Ryan in Year 8 and his Mum. They have been growing Tomatoes and Peppers from seedlings and have kindly donated the plants to the 6th Form.

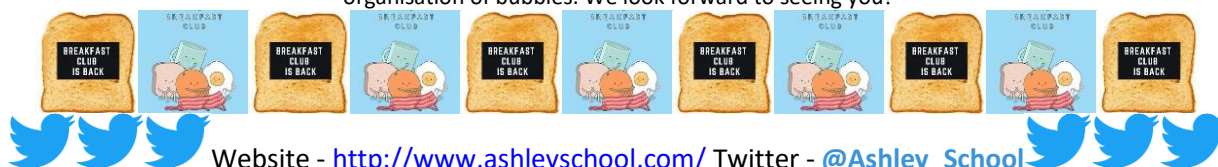

**Year 11 students** participated in a careers morning where they heard from local employers about different job roles and the employability skills required for the future. Employers included KeepMoat Construction and Halton Housing Trust.

**We are excited to announce** that we have successfully gained a place on the Skills Builder Accelerator Programme. Skills Builder will work with our teachers and leadership team to develop sustainable strategies for teaching essential skills. The Skills Builder Partnership includes over 450 schools and colleges, 130 impact organisations and 100 top employers - working collectively towards the mission that one day; everyone will build the essential skills to succeed. These eight skills are listening, speaking, problem solving and creativity, staying positive, aiming high, leadership and teamwork. We plan to begin delivering the programme in the autumn term but if you would like further information, please contact Nikki Lightfoot (6th Form Teacher).

## And Finally...

Breakfast club starts at 8:15am every Monday – Friday. All breakfast club places MUST be telephoned in advance to allow safe organisation of bubbles. We look forward to seeing you!
