Ashley Action!

Year 8 students have had a great time in their Art lessons making their own stained glass windows with paper, oil pastels and baby oil. Students designed their own patterns onto paper, coloured in the shapes with oil pastels and dabbed oil on the colours to create a see through effect.

It was operation tidy up for Year 11 students. As part of their gardening course students helped to dig out old plants, prune and cut back shrubs, clean up the vegetable garden from debris and kept this area clean and tidy ready for more planting over the coming months.

Year 7 Sensory Taste Test Students took part in identifying different foods by taste alone. Students were very surprised when they tried this experiment. There is more to taste than students first thought!

Roald Dahl Day Year 9 Students celebrated Roald Dahl Day in their Practical Learning sessions. Students researched about Roald Dahl and even got to make their own chocolate creations, as did Mr Wonka in Charlie and the Chocolate Factory.

Macmillan Coffee Morning: On Friday 30th September, we will be hosting a coffee morning in school. We are only serving to students and staff. Hot drinks and cakes will be available to purchase and all of the proceeds will go towards Macmillan Cancer Support. If you are able to donate a cake/biscuits/money, please send them into school on the morning of Wednesday 28th/Thursday 29th September. Thank you for your support!
