Ashley Action!

Welcome back to Ashley High School! We are pleased to re-open our doors after the summer break to our students and staff, both new and returning. During the break, we have prepared our school and its facilities to ensure students and staff are safe and can continue to receive the highest quality education we provide each year in our lessons, as well as the rich co-curricular programme. We have looked forward to welcoming everyone back on Thursday 10th September 2020 ready for a new and unique year.

It is so good to welcome our New Year 12 students into the 6th Form. This morning students are working in Vocational areas and taking part in sessions in Digital Media, Animal Care and Catering.

6th form students have taken part in The Amy Winehouse Resilience Programme. Students have learned more about drug and alcohol misuse through a life share and workshop delivered by a trained and accredited worker in recovery themselves [@AmysFoundation](#).

Motiv8 Short Breaks 6 Week Art Course This is for any families who may have children or young people interested in attending an art course that will run for 6 weeks each Saturday starting on 26th September 2020 at Brookvale Community Centre. To maintain social distancing places are limited and have to be booked with Motiv8.

Halton Libraries During this unprecedented time Halton Libraries are still available online. They have a wide range of eBooks, eaudio, daily newspapers and magazines that borrowers can access, for more details see our website <https://library.haltonbc.info/> Families can join the library to access their online services. This is their joining form - <https://halton.me/join-the-library/> If you fill in the form they will email you with your new library card number and pin number as soon as they can. If you have any other enquires you can email widnes.library@halton.gov.uk and they will get back to you as quickly as possible.
