Ashley Action!

Congratulations we have achieved the Gold award for Skillsbuilder! This award is given to schools modelling best practice in high-quality essential skills education and where schools have fully embedded the Skills Builder Principles. For more information, visit: <https://www.skillsbuilder.org/case-study/ashley-high-school>

Ashley High School's Gardening class took full advantage of the apple harvest in the school's ground. Students picked apples off the tree and turned it into a delicious apple crumble. Students were really enthusiastic about cooking and we had a number of star bakers!

First School Council Meeting of the Year School Council meets every week to discuss issues raised by students and ideas to help improve our school even further.

Designing and making a Sandwich Year 9 students came up with some fantastic ideas about what would be their perfect sandwich and created this in their Food Technology lessons.

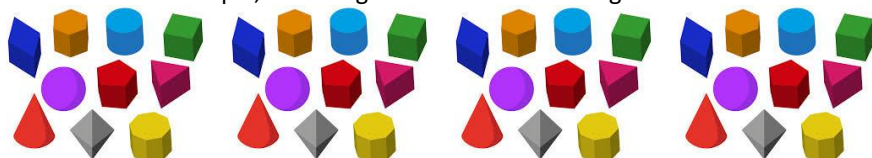

We are in need of gardening equipment. Could you please send in any unwanted hanging baskets/seeds/trowels etc. for 6th Form Vocational Studies.

We still need bottle tops and batteries. Please could you send these in for Mrs Lawrenson. Thank you!

Skills Builder Challenge – Problem Solving

Go on a Shape Hunt. How many different shapes can you spot in your house? Record examples of the same shape in different places. For example, a rectangular door and a rectangular window.
