Ashley Action!

Welcome back We do hope you have had a restful and enjoyable half term. We are looking forward to another exciting half term ahead. Congratulations to Oscar in Year 13 who has secured himself part time work at 'Domino's' in Runcorn. Well done Oscar we are very proud of you!

Skills Builder Champion's Last terms winners are Connor for 'Staying Positive', Riley for 'Aiming High' and Indigo for 'Speaking'. Skills Builder shows students how to build essential skills at every stage of life. Well done to you all!

Year 7 students have been based at KIND in Liverpool taking part in fun activities such as baking cakes, environmental studies, teambuilding tasks, current affairs, mindfulness and basketball.

6th Form Work Placements Over the next few weeks students are taking part in work placement visits at Widnes Library, Knitwire, Quality Save and Halton Housing Trust. Students who visited Widnes Library helped to make up book bags, which will be distributed to local schools.

Skills Challenge – Listening

Think of someone in your family who has a talent that you admire. It could be they are great at baking delicious cakes, or they seem to have green fingers and their plants always grow really well. They may know many card tricks or they have fun ideas of things to do on rainy days. Ask them to help you learn something they know - to share their talent with you. Listen carefully as they explain and ask questions to help you understand more.
