9th October 2020

Ashley Action!

Dyslexia Awareness Week is always a good opportunity to raise awareness and understanding of dyslexia and help to bring about positive change. For more information visit: <https://www.bdadyslexia.org.uk/>

6th Form Taster Day 23rd October 2020 Year 11 students will have the opportunity to taste life as a sixth former. This Taster Day is designed to provide a real insight into the different type of school day and the courses that are offered in the Sixth Form.

DoodleMaths – Top Doodlers for this week: C. Hough, Lewis Kelly, J. Halfpenny-Bell, E. Given, B. Given, R. Hughes and Chloe Vickery. Well done!

Year 11 Gardening Group Year 11 students have been busy cleaning and tidying the planters at the back of school as part of their gardening course. Students have given some fantastic ideas about what they can do to keep our gardens neat and tidy. We even managed to rustle up a potato salad from the potatoes we have grown!

Another fantastic day with our 6th Form at Burwardsley Outdoor Education Centre. Our students have impressed us today with their determination to overcome difficult situations and their support for one another. Well done everybody

And Finally...

Please see the Newsletter link page for information on Covid-19 Absence, a quick guide for parents/carers.
