We are saying goodbye and happy retirement to Mrs King our Head Teacher of 27 years! It is hard to put into words the huge contribution she has made to hundreds of children who have passed through Ashley High School since 1995 and her exceptional supportive role for colleagues. Mrs King, you will be missed by everyone and we are hoping that you will stay in touch with us! We are also saying goodbye to Mrs Ogburn (Deputy Head Teacher) and Mrs Vanezis (Science Teacher). We would like to wish them all a very enjoyable retirement and I am sure you will all agree a well-earned rest!
