

Social story about wearing a mask

I go to Ashley High school.

There is a change next week.

From Monday we must wear a mask or visor in school.

When we are in the corridors we must wear a mask

When we are going to the toilet we must wear a mask.

When we are going to the yard or the bus we must a mask.

Social story about wearing a mask

When we are going to lunch we must wear a mask.

When we are on the taxis or buses we must wear a mask.

This change has been made a new rule by the government to try and keep us all safe. Mrs King has been told to do this. This is ok.

You may not like wearing a mask on your face. We must do this keep us all safe and help us stay fit and well and in school having fun.

Things at the moment change a lot. We are all having to cope with the changes and surprises that happen. It is ok to be anxious or worried about these changes. We must talk to our trusted adults if we feel anxious, scared or worried.

We must try our best to stick to the new rules in school and wear a mask. This will help to keep us all safe. Keeping us all safe and healthy is important to us all.
