## Ashley Action!

**Amy Winehouse Foundation** 6<sup>th</sup> Form students had a visit from volunteer Katie who works for 'The Amy Winehouse Foundation'. Volunteers use their own experiences of substance misuse and recovery to educate students, parents and teachers about the underlying reasons why some young people use drugs and alcohol to change the way they feel and what can be done to prevent this.

**Jane Tetlow** visited 6<sup>th</sup> Form students to introduce a workshop on the effects of alcohol and drugs. Students learnt the effects of alcohol misuse and described the names, appearance and effects of a range of illegal drugs and the physical, emotional and social consequences substance use might have for individuals.

**Gardening** Year 11 have yet again been working hard on the planter at the back of school. All students have now managed to clear the Lavender Bush and turn the soil over. Students are now planning what we can put in there.

**6<sup>th</sup> Form students** have completed a charity car wash in aid of Macmillan.

**Year 8** students delivered presentations about the danger of drinking alcohol. Students also discussed why young people might choose to drink, the risks associated with underage drinking and how to make safe choices around alcohol.

## And Finally...

We would like to say a huge thank you to everyone who donated cakes and contributed to Macmillan Coffee Morning. We will give you an update next week with a grand total of how much we have raised.
