## Ashley Action!

**6<sup>th</sup> Form Work Experience** Students will be visiting 'Wonky Gardens' over the following weeks to take part in a variety of activities. This week, students were involved in making a 'Bug House'. Students foraged for twigs, moss, bark and pine cones to build their houses and displayed excellent teamwork skills! The finished 'Bug House' will be placed on the school grounds so that other students can explore what insects visit.

**Do you know an 11–17-year-old who is passionate about music?** Youth Fed have the perfect FREE workshop for them where they can create their own music online without having to play a single instrument! On the 12th March Youth Fed are collaborating with Mako Create to run a 90-minute taster session that teaches the basics of BandLab (an online digital audio workstation); taking you from creating your first new project through to exporting and sharing your finished piece of music. For more information, please visit:

**Halton Family Creative Cooking Sessions** Please see the Newsletter link page for more information on these sessions. Forest Schools sessions @ CAFT are offering 6 FREE sessions for families of children with ASD or learning difficulties in Halton LA. If you would like to join Forest School sessions, please email: [forestschool@caft.co.uk](mailto:forestschool@caft.co.uk)

**Pancake Day 2022** Year 10 students celebrated 'Pancake Day' on Tuesday. Students have researched about multicultural pancakes and came up with their own designs to create the perfect pancake!

**Congratulations to last terms 'SkillsBuilder' winners!** Harry Sheehan 'Listening', Leon Roberts 'Speaking', Callum Burrows 'Problem Solving', Mason Vickery 'Teamwork', Cate Vardy 'Leadership', Josh Churchill 'Aiming High', Trudi Blainey 'Staying Positive', Harvey Williams 'Staying Positive', Angus Glover 'Aiming High', Emily Pinnington 'Staying Positive'

## Skills Challenge – Speaking

Imagine a film (movie) has been made about your family. Prepare a 30 second voice over for the trailer to advertise the film. Think about what you would say to advertise the film and how you would say it clearly. You might want to record your voice over or perform it 'live' to the rest of your family. Challenge other family members to have a go too and then enjoy listening to each other's trailers.
