Ashley Action!

Cronton Sixth Form and Riverside College Summer Transition Activities for Year 11's (June – August 2021). Please see the Newsletter link page on the website for more information on these activities.

Year 8 students made a selection of Chocolate Eclairs, Profiteroles and Choux buns as part of their pastry themed work. Choux pastry is made by cooking water, butter, flour and eggs into a smooth batter, then shaping and baking it. The result looked appetising!

6th Form students delivered excellent PowerPoint presentations this week for their Employability course. Students displayed good eye contact and body language and were able to summarise the main points of the talk, thank the audience and ask if there are any questions. Well done everybody!

Year 7 students participated in a Taste Testing Challenge. Students sampled food and provided feedback on appearance, flavour and texture.

We hope you all have a fantastic half term holiday! School returns on Monday 7th June 2021
