## Student Of The Week

7LA	L.Helps	10L	R.Hughes
7SA	L.Maxwell	10LQ	J.Churchill
8MS	T.Curphey	11RS	M.Jones
8JF	H.Sheehan	11GG	T.Campbell
9KD	W.Parkinson		
9JO	S.White		
9AK	M.McDonald		

## Ashley Action!

**Well done** to everyone who donated cakes, money and biscuits to Macmillan Coffee Morning. The school raised £150!  
**Year 9 students** had a lesson about understanding the sugar content of popular beverages such as fizzy drinks, smoothies and energy/sports drinks. Students measured out granulated white sugar so they can picture the true amount of sugar in these drinks. We hope that students will think of healthier options to quench their thirst throughout the day!

**Art** Year 8 students have carried on the theme of designing their own stained glass window. Well done to Thomas who designed his own favourite animal, a fox!

**An amazing afternoon** for some of our Year 8 reading advocates who were able to meet award-winning author Frank Cottrell Boyce. We had a fantastic afternoon listening to extracts from his books and hearing about his life and career.

**Year 8 students** help to run their own café in Food Technology and are responsible for sales, keeping the money in order, and coming up with new recipes and ideas for the cafe. This great setting gives students hands on experience with money skills and a work environment.

## Skills Builder Challenge – Leadership

Think of a friend or family member you know well. Draw them in the middle of a piece of paper. Around the edge, write all of things this person is good at. Share it with them and see if they agree.
